There will be a campfire at the Halah on occasion throughout the week. There are to be no fires at your campsite (*note instructions on pg 25*).

4. Responsibility

- Every student must have a medical consent form filled out & returned before camp.
- Each student is assigned to a counsellor. The counsellor will act as Big Brother or Big Sister and should be regarded with the same respect shown to a parent.
- If discipline problems arise, these will be referred by the counsellor to a committee member. **If the student continues to be uncooperative, he/she will be returned home.** Kids' camp is a place to learn and primary attention will be given to Bible study. Students who come are expected to have a commitment to this goal. It is for this reason that absence from any class or function must be with the approval of a counsellor.

5. Tenting

All students will camp with their respective counsellors. Boys not allowed in girl's tents & vice-versa. They will share the duties relating to food preparation, dishes, etc. Duty rosters will be prepared and posted.

6. Dress

All attendees should dress appropriately for all Bible camp functions. No undergarments or midriiffs should be visible either when standing, sitting or bending. Any slogans should reflect a godly character. Swimming attire and shorts should be modest. If you have any questions, ask a counsellor.

- Females** are required to wear dresses/skirts for classes and evening programs. Tops should have shoulder straps at least 3 fingers wide and necklines no lower than 3 fingers from the base of the neck to the top of the garment (front & back). Strapless clothing and bare midriiffs are not allowed (including swimsuits). Skirt hems should be knee length and any slits should extend no higher than the knee. Shorts are to be at least as long as the end of your fingers at your side while standing.
- Males** are to wear long pants to classes and avoid ripped or faded jeans. Males are required to wear shirts at all times except at the beach.

7. Swimming
