

The Life of the **Apostle Paul**

Preparation Workbook for JUNIORS
Manitoulin Youth Camp 2020
God willing

Dear Camper,

We are so excited that you are planning to come to Manitoulin Youth Camp this summer, God willing. This may be your first time as a camper at Youth Camp or you may have been there last year and now you know all about being a camper!

Due to the current health situation, we realize that there is a possibility of not being able to have Youth Camp. We would still encourage you to complete your camp workbook and get to know the Apostle Paul better.

There are 5 parts to your pre-camp assignment:

- 1) this workbook
- 2) a minute meditation
- 3) memory verses
- 4) Bible readings
- 5) a special project

Try to get started as soon as possible and do your best work!

If you have any questions about the workbook or any of these assignments, please contact us. We look forward to seeing you at camp, God willing.

May God bless you in your studies,
Uncle Jon and Auntie Becky Gore

1. Completing the Workbook

- Don't forget to pray to God before you begin, asking for an open mind and heart so that you can understand what you are studying.
- This workbook will help you begin studying the life of Paul so that you understand the basic story and help you prepare for camp.
- The workbook is written using the King James Version (KJV) of the Bible. Feel free to look at other versions to help you understand the text.
- Start each section of questions by reading through the verses. This will help you familiarize yourself with the incident as a whole before you begin looking at the details.
- There are questions throughout the book with a **(TQ)** symbol, which stands for 'thought question' (or some like to call them tough questions!). These are designed to make you think about the answer, so don't expect to find the answer in a specific verse, just write down what you think.
- Read all the extra information in the workbook. There are different translations, word definitions and lots of other useful information which will help you to understand more about the story.
- Also enjoy the extra activities throughout the book, like word searches and mazes and feel free to color the pictures.
- If you are having trouble with a question, put a star next to it and move on to the next question. When you have completed the section, go back and try again. If you still can't get it, ask someone for help or email Uncle Jon and Auntie Becky at jbgore97@gmail.com.

Directions for Using a Strong's Concordance

1. Look up the word in the main concordance (the front section) just like you would in a regular dictionary.
2. Find the verse that contains the word you are looking for and look for a number to the right of the reference.
3. Use this number to look up the meaning in the back of the concordance. Because we are studying the New Testament you will use the Greek dictionary in the back of the concordance.

Bible Marking

Throughout the workbook there are sections of Bible Marking. The purpose of this Bible Marking is to color code the chapters of Acts in our study so that you can more easily see what is going on in a chapter when you turn to it. It is always a good idea to read the chapter before you start Bible marking so that you understand what you are coloring. We have included the sections of Acts from our study for camp. Please note that some words and phrases will be colored and some will be circled.

Please contact us if you would like more Acts Bible Marking.

We will be coloring the following subjects in Acts:

God/Holy Spirit: Words or phrases referring to God and His power the Holy Spirit will be *colored* in purple. The KJV version reads "Holy Ghost" but we know that this is talking about the Holy Spirit.

Christ: Words or phrases that tell about Christ, his mission or his relationship with God or us are *colored* in light blue.

Geography: It is important to remember where the action in scripture is taking place. This is done by *coloring* the location of the action in orange. Usually this is done only the first time that the city/place is mentioned in that record.

Time Words: It is helpful to know when the different events in Acts happened. *Color* these words in aquamarine.

Baptism: Baptism is an important step to enter into the Hope of Israel. *Circle* in orange words that relate to the subject of baptism.

The Kingdom: Words or phrases relating to this theme in the book of Acts are colored in light green.

Preach/Gospel: The preaching of the gospel was one of the important purposes of the apostles. *Color* these words with a gold (or brown) colored pencil.

Name/Word: The name of God and the word of God are very important topics. *Color* these words gray.

Jews/Synagogue: The Jewish nation has always played an important role in God's purpose. *Color* words about the Jews in olive green or dark green.

The Sabbath: The sabbath was the most important day of the Jewish week. It was also a day that the early believers spent preaching. *Circle* the word sabbath with a light blue pencil.

The Gentiles: The inclusion of the Gentiles into the Hope of Israel is one of the themes in Acts and one of the major challenges in the first century ecclesias. *Circle* the word Gentiles in red.

Saved/Salvation: The book of Acts clearly teaches us about the way of salvation. *Color* these words dark blue.

2. Minute Meditation

You will need to prepare a Minute Meditation to present at camp. You will present it in your class, or you can volunteer to present it in the main pavilion. You will need to choose one verse on which to base your Minute Meditation.

A Minute Meditation is an opportunity for you to meditate or think about a verse from the study and share what you have learned in approximately one minute. You will read the verse and then tell what you have learned from the verse. You can share what you have learned about God and His character, or what you have learned about the people in the verse, or how this verse relates to other verses in the Bible, or how it relates to your life or a combination of these ideas.

The passages are divided up by the first letter of your last name. Please find the first letter of your last name below and choose a verse from one of the passages listed next to that letter to use for your Minute Meditation.

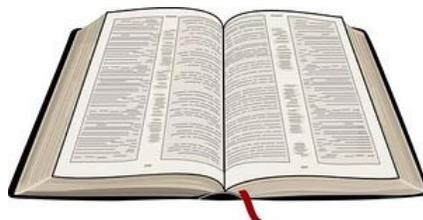

A-C: Acts 9v1-31 & Galatians 1v11-18

D-K: Acts 13v1-12 & 14v1-23

L-Q: Acts 16v6-40

R-S: Acts 21v10-15,27-36 & 23v11-24

T-Z: Acts 27v33-44 & 28v1-20

3. Memory Verses

There will be a memory verse from the life of Paul each day at camp. You will be quizzed on the verse in the morning Bible readings quiz for that day. Below is the list of verses. We suggest that you start memorizing these verses before camp.

Monday - Acts 9:15-16

But the Lord said unto him, Go thy way: for he is a chosen vessel unto me, to bear my name before the Gentiles, and kings, and the children of Israel: For I will shew him how great things he must suffer for my name's sake.

Tuesday - Acts 14:22

Confirming the souls of the disciples, and exhorting them to continue in the faith, and that we must through much tribulation enter into the kingdom of God.

Wednesday - Acts 16:31-32

And they said, Believe on the Lord Jesus Christ, and thou shalt be saved, and thy house. And they spake unto him the word of the Lord, and to all that were in his house.

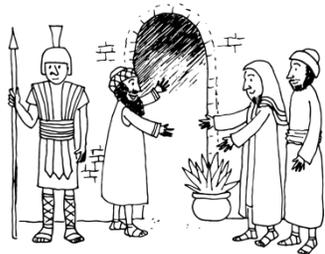

Thursday - Acts 21:13

Then Paul answered, What mean ye to weep and to break mine heart? for I am ready not to be bound only, but also to die at Jerusalem for the name of the Lord Jesus.

Friday - Acts 28:20

For this cause therefore have I called for you, to see you, and to speak with you: because that for the hope of Israel I am bound with this chain.

4. Bible Readings

There will be Bible readings from the life of Paul each day at camp. You will do these readings with your camp group. You will be quizzed on the readings the next morning. The life of Paul covers many chapters of the Bible. We will only be reading about some of the events in his life.

Below is the list of readings for the quizzes each day. Because there are so many chapters from the life of Paul, one of the passages will be what we call a 'read only' section. This means that we will read these verses at camp to keep the flow of the story, but you will not be quizzed on them in the morning quizzes.

Monday – Acts 9v1-31 & Galatians 1v11-18

Tuesday – Acts 13v1-12 & 14v1-23

Wednesday – Acts 16v6-40

Thursday – Acts 21v10-15,27-36 & 23v11-24

Read only: Acts 21v16-26

Friday – Acts 27v33-44 & 28v1-20

We would recommend that every camper try to listen to or read all the Bible passages above at least five times before camp. This will help in understanding the story better and in preparing for the morning quizzes.

There are a variety of ways to do this. Here are a few suggestions:

- Read the Bible passages together as a family
- Listen to a dramatized version of the Bible passages, available on Bible Gateway, Podcasts, etc
- Play the Bible passages while you are driving in the car together
- Print out the Bible passages and have the children highlight important words and phrases in the stories

Color in a box every time you read/listen to all the Bible passages for the week.

5. Special Project

You will need to prepare a special project to present in a 5-minute presentation to your class during Youth Camp.

When thinking about your class presentation, it is best to pick one small idea and do it well, rather than trying to fit too much information into your 5-minute presentation. Here are some project ideas to choose from:

1. Create a large map of the journeys of Paul. Be sure it is well labeled with key places and key events at each place.
2. Write a skit or short play based on one of the events in the study. Find a couple of friends to help you act out your play for the class to enjoy.
3. Create a fun game based on Paul's life. Be sure to include Bible verses and interesting facts from the life of Paul.
4. Draw a detailed picture or make a model of one of the events in these chapters.
5. A character study of one of the following characters:
 - a. Barnabas
 - b. Silas
 - c. John Mark
 - d. Lydia
 - e. Timothy
6. Make a comic/graphic novel version of one of the events in Paul's life.
7. Write out and illustrate one of the memory verses.
8. Use a Bible dictionary to look up information about one of the following subjects in the Bible and present your findings in a report, poster board or video:
 - a. Mars Hill
 - b. Ships and sailing vessels in the time of Paul
 - c. One of the cities that Paul visited like Antioch, Philippi, Damascus, Jerusalem or Athens
 - d. Synagogues, Sadducees, or Pharisees

Galatians 1:11-18 Saul Goes to Arabia

After Saul's conversion and baptism, he makes a trip to Arabia. This trip is not mentioned anywhere in Acts, so it is hard to determine exactly when it happened. Possibly Saul went on this trip in the time period of Acts 9:19. Galatians 1:11-18 gives us a few details.

v.11-12 Saul, also known as Paul, was establishing his authority as an apostle to the ecclesia in Galatia. Who did Paul say revealed the gospel to him?

v.13-14 Next Paul talked about his actions before he was converted. What did Paul say he was zealous of? (fill in the blanks)
"the _____ of _____"

v.15-16 What did Paul say that God called him to do through His grace? _____

v.16 "I conferred not with flesh and blood" the **International Children's Bible (ICB)** reads "I did not get advice or help from any man".

v.16-17 How soon after his conversion does Paul say that he went to Arabia?

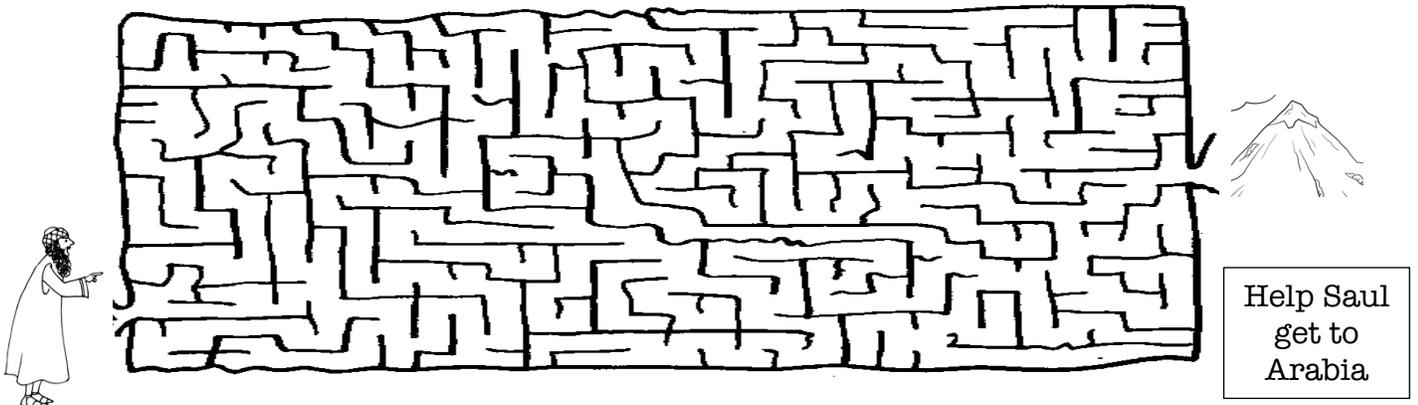

v.18 Where did Paul go after three years? _____
Who did he go to see? _____
How long did he stay there? _____

Galatians 4:25 tells us that Arabia is the location of Mt. Sinai/Mt. Horeb. Who else in the Bible went to this mountain?

TQ If you heard Saul preach after knowing how he had persecuted the believers, would you believe him immediately, why or why not? _____

Paul gave more details of this event in 2 Corinthians 11:32-33. He said that the governor of Damascus put guards around the city to try to arrest him.

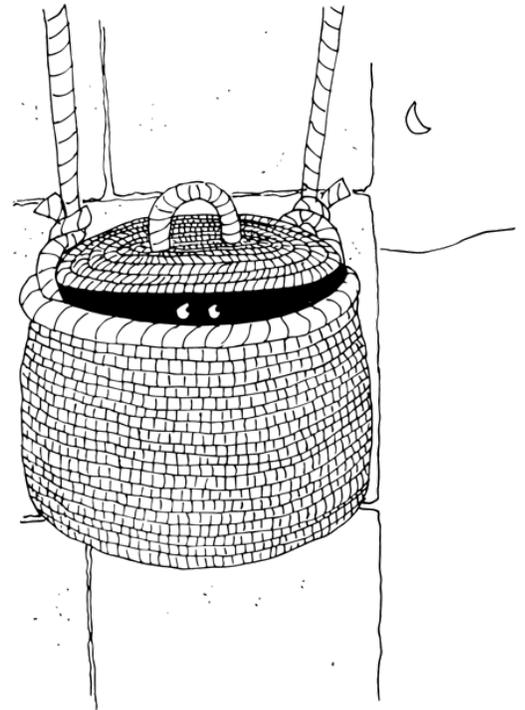

v.23 What did the Jews want to do to Saul?

TQ Why do you think they wanted to do this?

v.24 Did Saul know about the Jews' plan?

v.25 How did the disciples help Saul escape from Damascus? _____

Look up Joshua 2:1,15. Who else in the Bible escaped from a city in a similar way?

v.27 Who explained to the apostles what had happened to Saul? _____

v.28 Did the apostles accept Saul after this?

v.29 What did Saul do that made the people want to kill him? (fill in the blanks)

_____ in the

_____ of the

and _____ against the _____."

v.30 What did the brethren in Jerusalem do when they found out people wanted to kill Saul?

v.31 Describe how the ecclesias ("churches") in Judea, Galilee and Samaria were doing at this time. _____

We don't know exactly what Saul was doing for the next few years while God prepared him for the important work to come. We do know that Saul spent some time in Tarsus, his hometown, after his time in Jerusalem. During this time, the truth was spreading to places as far as Phoenicia, Cyprus and Antioch. Many people believed and turned to the Lord. When the ecclesia in Jerusalem heard about this, they sent Barnabas to Antioch to encourage the believers. Barnabas saw how the Lord was blessing the people in Antioch and decided to go to Tarsus to find Saul. Saul and Barnabas returned to Antioch and for a whole year they met with the ecclesia and taught many people there. During this time, the ecclesia learned that the brethren and sisters in Judea were in need. They collected money for them, and Saul and Barnabas delivered it to the elders in Judea. After they finished their task in Jerusalem, Saul and Barnabas returned to Antioch and brought John Mark with them. In Antioch, God called Saul and Barnabas for an even bigger job!

Paul's First Missionary Journey - Acts 13:1-14:28

Paul visited ecclesias and preached in areas where there were no ecclesias. We often refer to these journeys as "Paul's Missionary Journeys". Paul went on at least three missionary journeys followed by his journey to Rome at the end of his life. We are going to look at some of the events that happened on these journeys to preach the gospel.

Acts 13:1-3 Paul & Barnabas Separated by the Holy Spirit

v. 1 Who were some of the prophets and teachers in Antioch?

v.2 Who spoke to the disciples in Antioch? _____
 Who were they told to separate for God's work?

TQ Barnabas means 'son of encouragement'. It would have been encouraging for Paul to have a likeminded believer like Barnabas on this journey with him. How can we encourage our friends and help them so that they do not feel alone while they are serving God? _____

v.3 What three things did they do before they sent these men away?

Antioch

It is important to remember that there are two places that are referred to as Antioch: Antioch in Syria and Antioch in Pisidia. The Syrian Antioch is about 16 miles from the Mediterranean Sea, about 300 miles north of Jerusalem. This was a central point for the missionary journeys to begin and end. Antioch in Pisidia was a city in the extreme north of Pisidia, east of Ephesus.

Acts 13:4-13 Paul & Barnabas Preach in Cyprus

v.4 Where did Saul and Barnabas travel to first?

Then where did they sail to? _____

v.5 Where was their next stop? _____

Where did Saul and Barnabas start preaching the word of God in Salamis? _____

Who was with them? _____

v.6 What other city did they visit on the island of Cyprus? _____

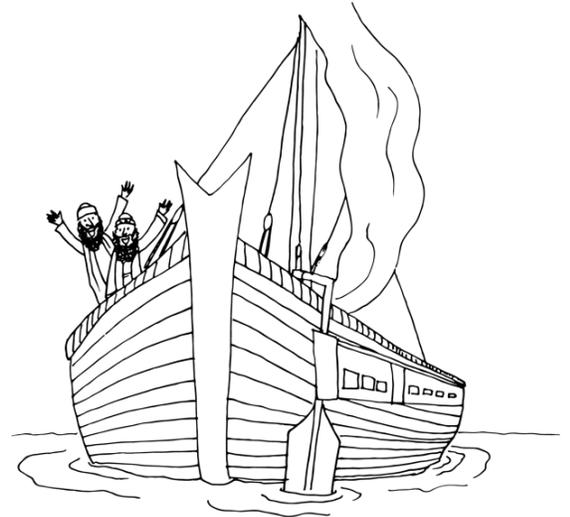

Describe the Jew that they met there (see also v.8) _____

v.7 What did Sergius Paulus, the deputy of the country, want from Barnabas and Saul?

TQ How do you think Sergius Paulus knew that he could hear the word of God from Barnabas and Saul? _____

What lesson can we take from this?

Barnabas was from Cyprus (Acts 4:36). There were also believers in Cyprus (Acts 11:19-20).

John Mark was related to Barnabas, possibly his cousin (Col. 4:10). He was also a follower of Christ.

Paphos was about 190 miles/300 kilometers from Salamis.

v.8 What did Elymus try to do? _____

v.9-10 What did Saul say to Elymus? (fill in the blanks)

"O full of all _____ and all _____, thou child of the devil, thou _____ of all righteousness, wilt thou not cease to pervert the _____ ways of the Lord?"

Acts 13:4-13 Paul & Barnabas Preach in Cyprus (cont.)

This is the first time Saul is referred to as Paul. Saul means 'appointed of God'. Paul means 'little'. From now on in his travels and work, he is referred to as Paul, his Gentile name.

v.11 What happened to Elymas because of his behavior? _____

TQ Why do you think Saul did this? How had his blindness helped him? _____

v.12 How did the deputy react to the events? _____

v.13 Where did Paul travel to when he left Paphos? _____
Who returned to Jerusalem at this point? _____

From Paphos to Perga is a sea journey of about 200 miles/320 kilometers.

MAP WORK: Saul & Barnabas began their first missionary journey in **Antioch** in Syria. They went through **Seleucia** to **Salamis** before going to **Paphos**. From there they went to **Perga in Pamphylia** and **Antioch in Pisidia**. Find these cities on **MAP 1 "Paul's First Missionary Journey"** on page 60 and connect them in order with a red line.

Acts 13:14-50 Paul & Barnabas Visit Antioch in Pisidia

v.14 Where did Paul and Barnabas go after they left Perga?

Where did they go on the Sabbath day?

Perga to Antioch is about 100 miles/160 kilometers. It was a difficult and dangerous road infested with robbers - 2 Cor. 11:26

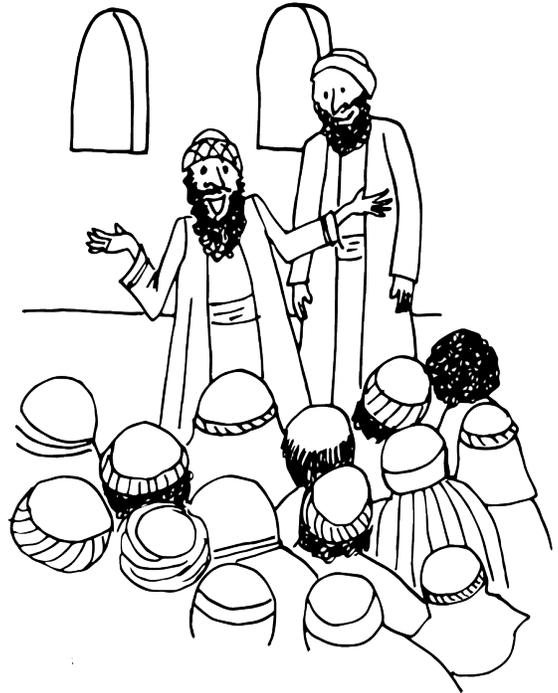

Acts 13:14-50 Paul & Barnabas Visit Antioch in Pisidia (cont.)

v.15-16 After reading from the Law and the Prophets, the rulers asked if anyone would like to give an exhortation. Who stood up and started speaking?

Summary of Paul's Exhortation

Read the summary of Paul's exhortation. Color in yellow what Paul told his audience that they needed.

Paul exhorted the people to try to help them understand what was going to happen to them if they did not change from their wicked ways. Paul started with the facts of Jewish history that his audience would have been familiar with. Throughout Israel's history, the Jews went back and forth from being held captive by foreign nations to being delivered by God. However, the work of Moses and Joshua could not accomplish what it was designed to do because of the foolishness of the people (Heb. 4:8). Paul showed them their need for a savior and how they could be involved in God's plan with the earth. He concluded that if they did not believe in Christ, like their ancestors, they too would be delivered into the hands of an enemy nation.

v.42 Who asked Paul if he would speak again the next Sabbath day?

v.44 Who came to hear Paul preach the next week? _____

v.45 How did the Jews react when they saw the multitudes come to hear Paul speak? _____

v.46 Who did Paul say they were going to turn to (or preach to) because the Jews had rejected his teachings? _____

v.48 How did the Gentiles react to his news? _____

v.49 Where was the word of the Lord published? _____

v.51 Where did Paul and Barnabas go when they were expelled out of the coasts? _____

MAP WORK: Upon leaving **Antioch** in Pisidia, Paul travelled to **Iconium**. Find these cities on **MAP 1 “Paul’s First Missionary Journey”** on page 60 and connect them with a red line.

Acts 14:1-5 Paul & Barnabas Visit Iconium

v.1 What happened when Paul and Barnabas spoke in the synagogue? _____

It is about
80 miles/130 kilometers
from Antioch in Pisidia to
Iconium.

v.2 **TQ** The **ICB** reads “some of the Jews who did not believe excited the non-Jewish people and turned them against the believers”. The believers let the people who didn’t believe turn them away from what was right. Are there things in our lives that pull us away from the truth? If so, what are they and how can we get rid of them?

v.3 Did Paul and Barnabas keep speaking about the Lord even though there were people working against them?

v.5 What did the Gentiles and the Jews try to do to Paul and Barnabas? _____

Acts 14:6-20 Paul & Barnabas Visit Lystra

Acts 15 The Jerusalem Conference

Read the summary below. Circle in red what the Judaizers were teaching. Color in green how we are saved and what we need to do.

Acts 15 is about what we often term the “Jerusalem Conference”. Paul and Barnabas travelled to Jerusalem to talk with Peter and the other disciples to get help with dealing with false teaching in the ecclesia in Antioch. There were people who were falsely teaching that you had to keep the Law of Moses in order to be saved. They were called Judaizers. These men were focused on the law of circumcision and were telling the Gentiles that they needed to be circumcised. They were completely missing the important idea that we are saved by the grace of God and the sacrifice of Christ. We are not saved by our works. The lesson for us is that we need to follow Christ’s commandments. We need to follow the example of Paul and Barnabas and stand up and defend the truth when people are teaching error.

Athens was highly regarded as the 'model university' of the Ancient World! To the Greeks, it represented the center of culture and learning, and became the authority in philosophy, art and science. It portrayed the "wisdom of the world" (1 Cor 1v20).

Areopagus or Mars Hills was the location of the highest court in Athens where they met to consider matters of education, religion or to determine whether a new philosophy should be taught or forbidden in their city.

"Men of Athens, I can see that you are very religious in all things. ²³ I was going through your city, and I saw the things you worship. I found an altar that had these words written on it: "TO A GOD WHO IS NOT KNOWN." You worship a god that you don't know. This is the God I am telling you about! ²⁴ He is the God who made the whole world and everything in it. He is the Lord of the land and the sky. He does not live in temples that men build! ²⁵ This God is the One who gives life, breath, and everything else to people. He does not need any help from them. He has everything he needs. ²⁶ God began by making one man. From him came all the different people who live everywhere in the world. He decided exactly when and where they must live. ²⁷ God wanted them to look for him and perhaps search all around for him and find him. But he is not far from any of us: ²⁸ 'By his power we live and move and exist.' Some of your own poets have said: 'For we are his children.' ²⁹ We are God's children. So, you must not think that God is like something that people imagine or make. He is not like gold, silver, or rock. ³⁰ In the past, people did not understand God, but God ignored this. But now, God tells everyone in the world to change his heart and life. ³¹ God has decided on a day that he will judge all the world. He will be fair. He will use a man to do this. God chose that man long ago. And God has proved this to everyone by raising that man from death!"

Ephesus

Paul preached to 12 men who had been taught by Apollos and they were baptized and received the Holy Spirit. Paul spoke in the synagogue, but the Jews were stubborn, so he went to the house of Tyrannus to preach. The people of Ephesus burned their books of magic when they saw the miracles done by Paul. After this, a silversmith named Demetrius, who made idols of the goddess Diana, started a riot because Paul's preaching threatened their way of life.

Caesarea

A Jewish prophet named Agabus prophesied that Paul would be bound and delivered into the hands of the Gentiles. The disciples begged Paul not to go to Jerusalem, but he told them that he was willing to die for Christ.

Troas

Paul preached until very late into the night. Eutychus fell from the third story window and he died. Paul raised him from the dead, broke bread with the believers and continued preaching until daybreak.

Corinth

Paul spent 3 months in this city until he learned of a plot by the Jews to kill him.

Miletus

Paul met the elders from the ecclesia in Ephesus for final words of encouragement and farewell.

v.19-20 How did they react when Paul told them about the work God had done with the Gentiles through Paul? _____

Acts 21:18-26 Paul Visits James at Jerusalem (cont.)

The ecclesial elders in Jerusalem were worried that the Jews in Jerusalem would be very upset when they heard Paul was there because of his work with the Gentiles. The unbelieving Jews had been spreading false rumors that Paul was teaching people to forsake (or get rid of) the Law. Paul had allowed the Jewish believers to keep many of their ways of worshipping, however he taught them that salvation was through faith in Christ and the grace of God. He did not make the Gentile believers follow the Law, but he did teach them that it was a school master (or teacher) to bring them to Christ (Gal.3:24). The elders suggested a plan to show the people that Paul was not against the Law to try and encourage the Jewish believers.

v.23-24 Read these verses in the **ICB**. Color in yellow what the elders suggested that Paul should do.

"So we will tell you what to do: Four of our men have made a promise to God. Take these men with you and share in their cleansing ceremony. Pay their expenses. Then they can shave their heads. Acts 24-26 Paul is Tried in Caesarea

Read the summary below and answer the questions that follow.

While Paul was in Caesarea, he went on trial before Felix, the governor, Festus, the next governor, and King Agrippa. Paul used each of the opportunities to exhort the ruler and the people who were assembled at the trial. Paul reminded them about the writings in the Law and the Prophets and that his belief in these things gave him a hope in God. He told them about his faith in the Lord Jesus Christ and his hope in the resurrection. He told them that because of the life, death and resurrection of the Lord Jesus Christ, he could be part of the promises made to Abraham, Isaac and David. Paul also shared his mission of preaching this good news to both the Jews and the Gentiles. Festus wanted to please the Jews, so he offered to send Paul back to Jerusalem. Because of this, Paul appealed to Caesar and had to be kept as a prisoner to wait to be taken to Rome.

What were the names of the three men that Paul was put on trial before? _____

Did Paul use his trials as an opportunity to preach? _____

Why did they keep Paul as a prisoner? _____
