

# 2020

## VIRTUAL MANITOULIN YOUTH CAMP 19 TO 24 JULY 2020 (GOD WILLING)

### ~ SUPPLY LIST FOR SQUIRT PROGRAM ~ *... plus some bonus activity ideas for Aunty Lindsay's lessons*

#### MORNING LESSON SESSION

- Activity book (emailed to parents)
- 3D pictures (emailed to parents)
- 3-4 pieces of construction paper
- Colouring materials (crayons, markers, or pencil crayons)
- Glue stick
- Stapler

#### Nice extras (if you have them around):

- Empty envelope
- Double sided foam stickers to make 3D pictures (not needed but makes them pop out)
- Duotang (folder) to put the activity booklet in
- Stickers to decorate
- Red or orange glitter or bits of paper
- Cardstock for the last page

#### Optional activity ideas to go along with each lesson:

- **Class 1** - Act out Saul going over the wall using a stuffed animal and a laundry basket over the couch or out a window.
- **Class 2** - Tie the child's legs together loosely with a strip of cloth and have them try to go about the next hour of their day to see how hard it would be to live lame.
- **Class 3** - Make a lego or wooden block jail and place it on a baking sheet or board. Shake it to see the effect of an earthquake (do not build it too sturdy with lego otherwise this won't work!)
- **Class 4** - Play telephone (where you whisper a phrase to one person and it is passed on). This is best done with a group so try to do it at a meal with all the family. Remind the children that God is watching over us all the day. Set an alarm for every hour of the day to help them remember this.
- **Class 5** - Help your child make a card for an elderly member of your ecclesia or a friend from Sunday School. God had Paul write down letters from Him to many of the ecclesias to help them ... just like the child will tell you the words and you will write them down.
